UNDESIGNATED GIFTS ADDRESS THE MOST CRITICAL NEEDS. YOU ARE NOT REQUIRED TO DESIGNATE.

For more than 70 years, United Way of the Virginia Peninsula's core mission has been to help local agencies through undesigned gifts. However, if you choose to designate your contribution, a minimum gift of \$50 is required. See back for further details.

A NOTE TO ALL DONORS

If you designate your contribution, funds may not be designated to: agencies without verifiable Internal Revenue Code Section 501(c)(3) non-profit status, religious institutions, those that exist solely for political purposes, or those that practice unlawful discrimination. Designations not meeting these criteria will be automatically redirected to Community Care. United Way fundraising and administrative costs are 21%. IRS regulations strictly dictate that donated funds may not be used to pay a pre-existing legally binding pledge, or for anything providing a direct benefit to the donor. This form alone is not sufficient IRS documentation.

A year-end pay stub or employer-issued W-2 is also required.
