

Hampton Residents!

Learn more about a **FREE** Home Weatherization Program

The Office of Human Affairs is offering **FREE** home weatherization assistance to qualified low-income families, the elderly, and people with disabilities in the City of Hampton.

The main objective is to increase the energy efficiency of homes, resulting in cooler summers and warmer winters.

The Weatherization Program offers:

- Blowing of insulation into attics and sidewalls
- Weather-stripping of doors and the addition of door sweeps
- Caulking of windows and repairing or replacing heating systems.
