

Learn how to start a conversation with your teen about substance use/misuse.

HIDDEN IN PLAIN SIGHT (HIPS) is an interactive drug prevention program for parents of tweens and teens about risky behavior associated with drug and alcohol use and misuse.

FEATURES OF THE PROGRAM

- Interactive exhibit designed to resemble a teenager's bedroom
- Contains more than 100 items which may be indicative of dangerous or risky behavior
- Education on how each item can be used as a tool in risky behavior
- Community resources and literature will be available during the presentation.
