

# PENINSULA YOUTH COLLABORATIVE

*The Peninsula Youth Collaborative (PYC) brings people and organizations together to better serve children and young adults on the Virginia Peninsula.*

Providing space for meaningful connections between organizations and professionals working to serve and support children and their families.

Facilitating collaborative partnerships to better meet the needs and solve the unique challenges of families with children and young adults.

Helping to position youth-serving organizations to leverage our collective resources in order to expand the impact of services and to ultimately improve outcomes for families and children in the community.

In 2023 UWVP launched the Peninsula Youth Collaborative (PYC) with **71 organizations** serving children and young adults on the VA Peninsula.

**130 youth** (ages 16-24) were **successfully employed** with free transportation in partnership with Busch Gardens Williamsburg and Hampton Roads Workforce Council.

If your organization serves children and young adults, ages 0 to 24, you are invited to join the PYC. Simply register your organization here, and your information will be included on the PYC Dashboard. You'll also be included in future PYC meetings and collaborative opportunities.

CONNECT WITH PYC

## Champions for Children

Mobilizing the caring power of **people** because  
every child deserves a champion

*Launching Fall 2025*

## HOUSING COLLABORATIVE

*The Housing Collaborative (HC) brings together organizations  
working to address homelessness and housing insecurity.  
Through collaboration we can improve our community's  
solutions to reduce homelessness and housing insecurity.*

From programs that  
address chronic  
homelessness to  
solutions to support  
first-time  
homebuyers and  
prevent foreclosure,  
the Housing  
Collaborative can  
help ensure families  
of all incomes and  
sizes can have a  
place to call home.

The work with the Housing Collaborative is still being  
developed, and may change in response to the  
regional study published around homelessness.
