

Building Trust. Strengthening Community.

United Way Certified Partner Agencies Demonstrate:

- ✓ Sound financial stewardship
- ✓ Effective governance and leadership
- ✓ Measurable community impact
- ✓ Accountability and transparency
- ✓ Commitment to collaboration

When you support a **Certified Partner Agency**, you can give with confidence knowing it has met rigorous community standards.

Certified Partner Agency Perspective

Being a UWVP Certified Partner Agency means being part of a trusted network of organizations working together to strengthen our community.

United Way's stamp of approval gives us credibility, helps us connect with donors, volunteers, and families, and links us with other nonprofits addressing needs across the Peninsula. Together, we're able to create greater impact than any one organization could alone.

—Anne Bibee | Director of Development

CERTIFIED PARTNER AGENCIES

"When Every Person In Our Community, Can Support Themselves, Care For Their Family, and Lend A Hand To Their Neighbor, Our Ability To **Give Help And Hope** Becomes Infinite."

13 This year UWVP welcomed New Certified Partner Agencies thanks to our community's generosity and support!

Community Certification Committee

Our volunteer leaders are the heart of our mission. They generously contribute their time, talents, and expertise where leadership and purpose align. With unwavering integrity, they steward the Community Certification process as well as drive meaningful, lasting impact for our partner agencies and the community we serve. Their guidance ensures that every strategic investment reflects our shared values and advances positive change where it's needed most.
