EMS Data

Data as of: 1/29/2024

This EMS Data report contains EMS Incidents for:

Locality/Localities:	Data for requested localities
Race:	Data for entire Commonwealth
Age Groups:	Data for entire Commonwealth
VDH Health District(s):	Data for all localities in the relevant health districts

Note: Aggregations using 5 or less entries will be masked as 'N/A' in the tables.
To reduce masking some records are provided at Commonwealth or Health District Levels.

Emergency Medical Services by Locality	
Data Source	Emergency Medical Services (EMS)
Data Across	Localities
Table Description	The table below shows the number of opioid related EMS incidents by Locality from 2018-2021
Table Functionality	Click the drop down arrows in the headers to sort or filter any fields
Data as of	1/29/2024
N/A	Aggregations using 5 or less entries will be masked as 'N/A' and removed from visualizations

Year	Locality	Locality Pop. in 2021	Locality Pop. Size	Responses	Rate Per Capita Population	OCME Region Name	Health Planning Region	VDEM Region	VDH Health District	VDH Region	Column11
